SWTPL Quality Policy

We all at Sheetal Wireless will make best efforts to meet customer needs and requirements by using modern technology, products of international quality, efficient methods and trained manpower to provide trusted wireless solutions for Voice and Data communications at reasonable price, in the required time frame, within legal framework and ensuring security of men and material.

1. SWTPL is committed to implementing and continually improve effectiveness of QMS (Quality Management System) as per ISO 9001:2015
2. SWTPL encourages all levels in the organization to update their skills & knowledge for implementing above policies.
